**Our Philosophy:** A good beginning helps children develop a sense of responsibility, creativeness, spontaneity, happiness, and caring attitude. Children also grow through self-expression along with self-discipline. At Anchored Christian Preschool our goal is to assist each child in this development providing a Christ-centered preschool experience. At Anchored Christian Preschool we provide a program that aids children in developing self-help skills, social skills, eye-hand coordination, and small and gross motor skills. Our program includes music and movement activities and language development exercises. Our preschool cognitive skills' activities include learning to recognize colors, letters, numbers, and shapes in addition to an introduction to phonics. Anchored Christian Preschool will be a daily learning experience, involving prayer before snacks and meals, Bible stories taught through books, role-play, and hands-on activities. For more information call us at **(270) 781-9077**
